

Berea Food Distribution

Saturday Distribution Dates:

June 6 & 20

July 18

August 1 & 15

September 5 & 19

October 3, 17 & 31

New Guidelines:

All volunteers will be wearing face masks and gloves for our safety as well as your safety.

They will also answer pre-screened questions due to the covid19.

We also will be following the CDC' recommendation in regards to social distancing and there will be marking to help you remember where to wait.

Distribution for senior citizens only will be from 9 to 10 AM. We want to provide this service to them due to their high risk of age and pre-existing medical Conditions issues.

All food will be pre-packaged and handed out to the customer's by the volunteer's.

If bread or sweets will be available, the customer may choose accordingly and will be limited so that others also may have the opportunity. If customer's would like more and we have extra's still left over, they may return at 11:30 and go through the line again.
